

**REMARKS**

Reconsideration of the above-identified application as amended respectfully is solicited on behalf of the Applicant.

With the instant response, 2 claims have been amended and 2 claims have been added.

Claims 1-5, 7-10, 12 and 13 stand rejected under the first paragraph of 35 U.S.C. §112 for failure to comply with the written description requirement.

As amended, independent claims 1 and 9 now both recite a thermally-conductive material which comprises a at least one resin or wax component or mixture thereof and at least one thermally-conductive filler.

Previously cancelled claims 6 and 11 are represented as new claims 20 and 21.

Claims 14-19 are believed to be allowed as indicated in the Office action dated March 17, 2005.

Respectfully submitted,

John A. Molnar, Jr.
